I've been around the world
I've known a lot of girls
Livin' and lovin'
It's hard to keep them all in line
I've seen a lot of sights
Many crazy nights
Cruisin' and boozin'
It's a wonder that I'm still alive

Never wasted any time
Never missed a beat
Total satisfaction
Always guaranteed

Tease me
Please me
No one needs to know
Tease me
Please me
Before I have to go

Spread the world around
The boys are back in town
Reelin' and rockin'
We're rollin' with it win or lose
The girls are dressed to kill
Lookin' for a thrill
Slidin' and glidin'
Sometimes they make it hard to choose
So hard to choose

I never wasted any time
Never missed a beat
Total satisfaction
Always guaranteed

Tease me
Please me
No one needs to know
Tease me
Please me

Before I have to go
Tease me
Please me
We'll take it nice and slow
nice and slow
Tease me
Please me
Just let the feeling grow
let it grow

I never wasted any time
Never missed a beat
Total satisfaction
Always guaranteed

(2x)
Tease me
Please me
No one needs to know
Tease me
Please me
Before I have to go
Tease me
Please me
We'll take it nice and slow
nice and slow
Tease me
Please me
Just let the feeling grow
