I saw the morning
it was shattered by a gun
heard a scream , saw him fall, no one cried
I saw a mother
she was praying for her son
bring him back, let him live, don't let him die

Bridge:
Do you ever ask yourself
is there a heaven in the sky
why can't we get it right

Chorus:
'cause we all live under the same sun
we all walk under the same moon
then why, why can't we live as one

I saw the evening
fading shadows one by one
we watch the lamb, lay down to the sacrifice
I saw the children
the children of the sun
how they wept, how they blend, how they died

Bridge:
Do you ever ask yourself
is there a heaven in the sky
why can't we stop the fight

Chorus:
'cause we all live under the same sun
we all walk under the same moon
then why, why can't we live as one

Sometimes I think I'm going mad
we're loosing all we had and no one seems to care
but in my heart it doesn't change
we've got to rearrange and bring our world some love

Bridge:
And does it really matter

if there's a heaven up above
we sure could use some love

Chorus:

'cause we all live under the same sun
we all walk under the same moon
then why, why can't we live as one
'cause we all live under the same sky
we all look up at the same stars
then why, why can't we live as one
