A place without a name  
Under a burning sky  
There's no milk and honey here  
In the land of God

Someone holds a sign  
It says we are human, too  
And while the sun goes down  
The world goes by

White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry

Waves, big like a house  
They're stranded on a piece of wood  
To leave it all behind  
To start again

But instead of a new life  
All they find is a door that's closed  
And they keep looking for  
A place called hope

White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry

Na na  
Na na na na  
Na na na na na na na na  
Na na  
Na na na na  
Na na na na na

Can anyone tell me why (can anyone tell me why)  
The children of the world (children of the world)  
Have to pay the price (pay the price)

And now you're telling me  
You've seen it all before  
I know that's right but still  
It breaks my heart

Well, the golden lamb we've sent  
Makes us feel better now  
But you know it's just a drop  
In a sea of tears

White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry

White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry

Na na  
Na na na na  
Na na na na na na na na  
Na na  
Na na na na  
Na na na na na
