I follow the Moskva
Down to Gorky Park
Listening to the wind of change
An August summer night
Soldiers passing by
Listening to the wind of change

The world is closing in
And did you ever think
That we could be so close, like brothers
The future's in the air
I can feel it everywhere
I'm blowing with the wind of change

[Chorus:]
Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change

Walking down the street
Distant memories
Are buried in the past forever

I follow the Moskva
Down to Gorky Park
Listening to the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow share their dreams
With you and me
Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change

The wind of change blows straight
Into the face of time
Like a stormwind that will ring
The freedom bell for peace of mind

Let your balalaika sing
What my guitar wants to say
Saaay!

[Solo]

Take me to the magic of the moment
On a glory night
Where the children of tomorrow share their dreams
With you and me
Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change
