"Check the rhyme y'all" "vibe" (x14)

Rockwilder:

As I purchase a twenty bag of the sticky  
Keeps me buddhafied till I'm level with the Bunoflies  
Take a crusie through the land of ?  
For the bitch ass that act the bitch ass  
Some niggas let that shit pass but Rock is quick to kick  
ass  
Quick fast, I keep the star by the focus lace the blunt  
pocus  
With the dust the dead locus  
Psychotic insain anxieties  
Have noriety of animosity to insult my philosoys  
You got to be the sickest out there that underrated  
noyokated  
I hat it and wish niggas never played it  
Xross Breed for 9-4 9-5 2 G's high 5 for the Queens live  
vibe

Hook:

Xross Breed is in the house keep it live y'all

Ease up ease up yeah I got an appiite  
For milk bones alpo and niggas who ain't rappin' right  
So before you pick up the microphone to flow  
Play like Teddy Pentagrass I think you better Let It Go  
Get on this higher plain with my higher brain  
From the weed indeed my menntals coastin' down the  
firelane  
I'm absolutely for the loot G, fuck a groupy trying to  
soup me  
I'm from the Q.B., I've always been real, no bitches in  
the infield  
It fucks the whole look up like birdshit on your  
windshield  
So clear the way I'm freakin' rhymes in a major way  
I roll with more niggas than Easter Pot Boy on Labor  
Day  
I don't want the drama hoe  
Even you mama know my style phenominal

And I form more Ghetto Jams then Domino  
It's Xross-Breed gettin' the best of ya comin' at cha  
Like Patra, come test me now

Hook

Redman Outro:

To the beat y'all as we enter your eardrums  
with the cosmic funk for 9-4 9-5  
Pack Pistol Posse is in the motherfucker for the 94 era  
causin' much terror to the brain  
Look out, ha, don't do that
