why are we fighting  
why are we lying  
maybe god come and help me out  
but he can't see the damned in this crowd

did i loose it all  
how did i miss the call  
conform me to an image of a doll  
break me up against his wall

i can't look in the mirror  
and see myself standing there  
all i see is an illusion  
fighting a war against the ones that care  
no need for saving just set me free

can you please forgive me  
words can't say the makings  
buildings crumble down under  
and lovers crash at the sound of thunder

i once believed  
honesty was key  
but i cant stay and live this way  
cuz every time i stand you take it away  
i can't look in the mirror  
and see myself standing there  
all i see is an illusion  
fighting a war against the ones that care  
no need for saving just set me free

once i was young now im old  
to see the truth that hides in me

i can't look in the mirror  
and see myself standing there  
all i see is an illusion  
fighting a war against the ones that care  
no need for saving just set me free

i just can't look in the mirror  
and see myself standing there

all i see is an illusion  
fighting a war against the ones that care  
no need for saving just set me free
