Turn up the music music (x8)

If this is true, I thought then  
What will I think?  
Will I stay?  
Or rather have a get away  
I'm scared that, I won't find a thing  
And afraid that I'll turn out to be alone  
But I

I have to learn  
Have to try  
Have to trust I have to cry  
Have to see  
Have to know  
That I can be myself

If this is true, I thought then  
What will I think?  
Will I stay?  
Or rather have a get away  
I'm scared that, I won't find a thing  
And afraid that I'll turn out to be alone

Turn up the music music (x15)

I see it all, I'm sure but  
Do I know what's right?  
Thought I knew  
But it turned out the other way  
I am scared that, I won't find a thing  
And afraid that I'll turn out to be alone  
But I

I have to learn  
Have to try  
Have to trust I have to cry  
Have to see  
Have to know  
That I can be myself

If this is true, I thought then  
What will I think?  
Will I stay?  
Or rather have a get away  
I'm scared that, I won't find a thing  
And afraid that I'll turn out to be alone
