It's getting pretty steamy up in here

A sexy weekend or I'll be your man
We'll run through the coast, yeah we're gonna play in
the sand
And if you get lonely, I promise you this, girl
Ah you can come close, stay rest in my pits
But then you call me up, say you're not gonna make
it, cause you've been held up
And my suspicions arouse and I know you're faking it,
you've been caught out

But I've been having those
Sexy weekends lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own

Well I might as well make the best of this situation while
I'm here

As I hug on my pillow and I sip on my beer,
No I haven't had this much fun, stalking on Facebook
before
And I'm beginning to hit bull's eye on that picture
of you I put up by the door
Yeah, your absence has made it clear, you don't wanna
be here
Yeah, despite all the tears I've cried, I'm having a good
time, enjoying a

Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own

Yeah
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own
