When I'm asleep in Cascade Street  
When I'm asleep in Cascade Street  
I don't, I don't  
See anything

When I'm asleep in Cascade Street  
When I'm asleep in Cascade Street  
I hear, I hear  
Nothing, nothing

In the cascade, in the cascade  
You washed me

When I wake up in Cascade Street  
When I wake up in Cascade Street  
I feel nothing  
I feel nothing  
When I'm asleep in Cascade Street  
When I'm asleep in Cascade Street  
I don't remember  
I don't remember

In the cascade, in the cascade  
You washed me

When I wake up in Cascade Street  
When I wake up in Cascade Street  
I feel nothing  
I feel nothing

In the cascade, in the cascade  
You washed me
