Chorus:

Am I trying to hard am I wondering to much because it  
feels so wrong the way i'm living such. But its taking to  
long and i just can't stop i need to live up to my life

V1:

you only get one life to live.

So why am i messin it up?

Am i changing, who knows

life isn't going up-

Chorus

V2:

If I wanted to have fun

You could say its done

but in the long run, its not worth it-

Chorus 2 times

V3:

I knoe that changes happen, but what will happen after-
