[Puff Daddy]

Cats hate me cause I mastered this  
PD the one who brought class to this  
I brought a brand new 6 just to blast my disc  
Pockets fool of chips with the glass on the wrist  
Got a mansion in the Hamptons that niggas would kill  
for but I'm never  
really home I live on the billboards  
Cause I remained da most famous Entertainer  
Yacht by the dock jetplane in the hanger  
Haters all hating and the ladies all waiting  
That's how I stay winning  
You the hottest in the nation  
Getting my bounce on  
Dipped in Sean John  
Chilling in Justins and spilling the Sean Don  
I roll in the Rolls on cruise-control  
If you know what I know then you can go where I go  
Got a whole alot of dough and money in escrow  
Having fun spending one's and watching my sons grow  
Like my nigga Bust said Give Me Some Mo  
We in the record store or you can catch us on tour  
Bad Boy 99 goin shine once more  
Making sure everybody know the time once more

Stop hoping the trains for that quick stick money  
Lay up in the cut and receive hugs and kisses scope
