The eastern world, it is explodin'.
Violence flarin', bullets loadin'
You're old enough to kill, but not for votin'
You don't believe in war, but what's that gun you're
totin'
And even the Jordan River has bodies floatin'

But you tell me
Over and over and over again, my friend
Ah, you don't believe
We're on the eve
of destruction.

Don't you understand what I'm tryin' to say
Can't you feel the fears I'm feelin' today?
If the button is pushed, there's no runnin' away
There'll be no one to save, with the world in a grave
Take a look around you boy
It's bound to scare you boy

And you tell me
Over and over and over again, my friend
Ah, you don't believe
We're on the eve
of destruction.

Yeah, my blood's so mad feels like coagulatin'
I'm sitting here just contemplatin'
You can't twist the truth, it knows no regulation.
Handful of senators don't pass legislation
And marches alone can't bring integration
When human respect is disintegratin'
This whole fucken world is just too frustratin'

And you tell me
Over and over and over again, my friend
Ah, you don't believe
We're on the eve
of destruction.
oh but you better believe it

Think of all the hate there is in Red China
Then take a look around in your own backyard
You may leave here for 4 days in space
But when you return, it's the same old place
The poundin' of the drum, the pride and disgrace
You can bury your dead, but don't leave a trace
Hate your next-door neighbor, but don't forget to say
oh grace
And tell me over and over and over and over again,
my friend
You don't believe
We're on the eve
Of destruction
Mm, no no, you don't believe
We're on the eve
of destruction.
