"October Grey"

It's been awhile
And still I remember,
The smile you kept for me

Lately I have missed you,
And It hits me in the morning,
When I'm cold

(I have nothing to say)
But I can't change a thing,
No I can't change a thing

If I knew, what I know
And If I said, what I meant

When all the big dogs get to grow their own
Everybody gotta' call some place home

(I have nothing to say)
Memories.....In October Grey

I can't change a thing,
I can't change a thing,
I can't change anything
I can't change.....a thing

(solo)
Ohhhhhhhh...Wrapped in October Grey.....

Now I have learned, not to trust
I have to watch everything I feel

You'll never know,
And I'll never let you see,
What I've done, what's become of me

(I have no words to say)
Memories.....
Memories of mother's day

I can't change a thing,

Oh I can't change a thing,
I just can't change anything,
I can't change.....a thing
