### "You Don"

Visit "[You Don](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Ft. Justin

(Yasmeen)

o0o0o

Don't look for another, another nother baby

(Justin)

We've been closer than lovers

better than friends have ever been

and when i think about it, I can't say when, this happen

oh baby

(Yasmeen)

Your lovin your kisses all I desire and

one look into your eyes i feel the fire

and it warms my heart and heals my soul always,

alwayYyYs

(Chorus, Together)

And you dont have to worry

you dont have to cry

you wont have to look for another

and dont be afraid to put love on the line

cuz you'll never find dissapointment

this timee

(Justin)

I spend my nights in sorrow

wondering when light will shine through the

clouds(shining through the clouds)

and your love comes with no questions and it erases all

my doubts, oohh (MmMmMm oh)

(Yasmeen)

Every step every breath taking me higher

the brightest of angels must have been enspired to

cross the paths for a love that last always,

alwayyyyyyysss(alwayyyyyyysss)

(Chorus, Together)

And you dont have to worry (dont have to worry)

you dont have to cry  
you wont have to look for another (you wont have to  
look for another)  
and dont be afraid to put love on the line (dont be  
afraid)  
cuz you'll never find dissapointment  
this timeee

(Justin and Yasmeen)

j-and when i look in your eyes (your eyes) i see your  
world where we  
share our dreams together  
y-my kiss will be waiting my heart will be beating for  
yoouu, forevrr  
j-so you dont have to worry  
y-dont cry cry baby, you wont have to look for another  
whoaa  
and dont be afraid to put love on the line (dont be  
afraid)  
y and j-cuz you'll never find dissapointment

(Chorus, Together)

And you dont have to worry (dont have to worry)  
you dont have to cry (dont cry)  
you wont have to look for another (dont need to look  
ooooohhh)  
and dont be afraid to put love on the line  
cuz you'll never find dissapointment

you dont have to cryyyyyyyyyyyy, cryyyyyyyyyyyyyy  
anymoreee  
dont cry dont worry (At same time: started chorus)
