[50 Cent]

I never said anything, I never take anything back

[Young Buck]

Well you kinda heard me speaking

"You ain't a crib like Snoop, you ain't a blood like Game"

And I was speaking on Game without knowing him  
but now, you know alot of these dudes jump in the  
game

and they rap artists, and that's exactly what they is  
but they not what they say they are when they rap it

[T.I.]

Everybody wanna be the king of the south when  
they ain't runnin the damn thing with they mouth  
no doubt, it's all good, y'all just stay in y'all opinions  
but in the South and in the hood it's understood without  
saying

it's a given, and it ain't cause what I'm doin for a livin'  
it's more because of what I'm doin how I'm livin  
not to mention when I'm rappin, I'm just hurtin niggaz  
feelings

And still chillin on somethin that's into healing  
Man, permissions from the Click to continue to keep it  
pimpin'

but while the crack was in the house, the record sale  
went thru the ceiling

so say what you want, and do what you please  
but for fun I shoot 22's from your shoes to your knees

I run a record label and a crew of G's  
so niggaz'll come and look for you if you sneeze  
or even breathe the wrong way

you better do what the song say and be easy, else it'll  
be a long day

I'm a king - bank rolls in the pockets of my jeans

I'm a king - you pussy niggaz couldn't see me in your  
dreams

I'm a king - top topic of all of your magazines

I'm a king - head of the body, leader of the team

I'm a king - remember I can get your block knocked off  
I'm a king - a Bentley coupe with the top chopped off  
I'm a king - I'm connectin nationwide but in the South  
I'm a king - just respect it and keep my name out'cha  
mouth

(The Game)

Everybody wanna be the King of the West  
but, they ain't runnin the damn thing in the West  
that's to bad, it's all good, they just speakin they minds  
stand on top of the Hollywood sign, you can see that  
it's mine  
I'd rather die, motherfucker, than give up my throne  
my crown is a Dodger fitted, California's my home  
and it's known when the drama pop off, I bring the  
chrome  
so nigga leave me alone, 'fore I start living my songs  
I made a killin drug dealin, some people say I'm a  
villain  
went from choppin' in the house, to the top of rap gettin  
millions  
so watch your mouth, unless you ready to bleed  
cause to me, murderin wack mc's is somethin like a  
disease  
top down in the Impala, so I can ride in the breeze  
and where I'm from, niggaz throwin up B's and C's  
so make a turn the wrong way, think about what the  
song say  
and be easy, else it'll be a long day

I'm a king - bank rolls in the pockets of my jeans  
I'm a king - you pussy niggaz couldn't see me in your  
dreams  
I'm a king - top topic of all of your magazines  
I'm a king - head of the body, leader of the team  
I'm a king - remember I can get your block knocked off  
I'm a king - impala with the top chopped off  
I'm a king - I'm connectin nationwide but in the West  
I'm a king - disrespect it I hit your brains with the tech

[The Game]

Keep your eyes off my throne and your hands off my  
crown  
or get your ass layed back

from wednesday to tuesday, T.I.P. act a fool, hey

I'm a king - bank rolls in the pockets of my jeans  
I'm a king - you pussy niggaz couldn't see me in your  
dreams
