You say it's time to leave now babe i can't believe
That you have the strength to go now
I won't stand in your way
I'd be standing there all day
Ain't that something we both know now
You play your games but the fact remains
I'm the only one that can hold your reins

Chorus

Didn't i bring your love down
Didn't i bring your love down all night

If you think you need a change well i'm sure we can
arrange
For all you to get on your own for a while
But i don't need to worry cause you'll get back in a
hurry
I know that you like my style
You play your games but the fact remains
I'm the only one that can hold your reins

Chorus
