Came in from the city walked into the door
I turned around when i heard the sound of footsteps on
the floor
Love just like addiction now i'm hooked on you
I need some time to get it right
Your love gonna see me through

Chorus

Can't stop now don't you know i ain't never gonna let
you go
Don't go

Baby make your mind up give me what you got
Fix me with your lovin' shut the door and turn the lock
Hey go get the doctor, doctor came too late
Another night i feel alright my love for you can't wait

Chorus

Came in from the city walked into the door
I turned around when i heard the sound of footsteps on
the floor
Said he was a killer, now i know it's true i'm dead when
you walkout the door
Hey babe i'm hooked on you

Repeat chorus

Don't go, don't go, don't go...
