Sometimes i feel,
I'll never belong
I want to get there so bad
But it's taking so long
Sometimes i feel
Like letting go
But when it comes right down to it, baby
Who wants to know? (no-one)

(chorus)
And i find (for a good time)
I'm knocking for a good time (for a good time)
Now i find (for a good time)
I'm knocking for a good time (for a good time)

Standing on the outside
I'm looking in
Trying to be heard
I don't know where to begin
Help me baby show me how
To be a part of it all and all
Right here - and now

(chorus)

Hands are full of silver
My pockets full of gold
It's time i'm trying to spend
And i can't get myself sold
I'm a bargain honey
I'm a giveaway
And you can have it all
If you'd use up my day.

(chorus repeat)
