"In My Room"

Visit "[In My Room](#)" on MotoLyrics.com

I stand alone and watch the clock
I only wait for it to stop
And in the room locked up inside me
The cutout magazines remind me
I sit and wait alone in my room

And in my room against the wall
There is picture very small
A photograph i took some years ago
It shows a picture of the room i know
I sit and wait alone in my room

Chorus
The walls are white and in the night
The room is lit by electric light

I stand and watch the clock
I only wait for it to stop
The doors are shut and all the windows lock
The only sound is from the clock
I sit and wait alone in my room

Repeat chorus
