Ba da da ba da da ba da da da ba da da da x2

Looking from a window above, it's like a story of love
Can you hear me
Came back only yesterday
Moving farther away
Want you near me

Chorus
All i needed was the love you gave
All i needed for another day
And all i ever knew
Only you

Sometimes when i think of her name when it's only a
game
And i need you
Listen to the words that you say it's getting harder to
stay
When i see you

Chorus

This is going to take a long time and i wonder what's
mine
Can't take no more
Wonder if you will understand with just the touch of
your hand
Behind a closed door

Chorus
