Hey, hey, hey, sweet thing
I give in
Sweet thing
I give in (submission)
(don't you want to right it, fight it)
Oh, no, if you don't think it's right
Can't change your mind if i talk all night
(don't you want to right it, fight it)
Oh, no, 'cos nothing now can keep this a good thing.

Hey, hey, hey, sweet thing
I give in
Sweet thing
I give in (submission)
(don't you want to right it, fight it)
Just go.
I don't want to fight
Just take your things
And say goodnight
(don't you want to right it, fight it)
Just go.
'cos nothing now can keep this a good thing.

Hey, hey, hey how could you be so unkind
When you were lying to me all the time
You don't need me now your life is fine
It's your day now, but it's gonna be mine
Oh and what a sweet day.
Hey, hey, hey,
(submission)
(don't you want to right it, fight it)
Oh, no, if you don't think it's right
Can't change your mind if i talk all night
(don't you want to right it, fight it)
Oh, no, 'cos nothing now can keep this a good thing.

Hey, hey, hey how could you be so unkind
When you were lying to me all the time
You don't need me now your life is fine
It's your day now, but it's gonna be mine
Oh and what a sweet day.

Sweet thing - i give in
Sweet thing - i give in
Sweet thing - submission (i give in)
Sweet thing - submission (i give in)
Sweet thing - submission (i give in)
