(YahZarah)

Good evening, ladies and gentlemen.  
You are stepped into a parallel universe where I am  
your tour guide  
And who am I?  
Well, sit down and let me rap to you for a minute.

Yahz come to free your mind (Yes, I have)  
Heyy, hey, hey, hey, surely the girl's on time  
Oh YahZarah's on time, yeah, yeahhh  
So won't you free your eyes, your mind will follow  
You're upset, boy, don't you wallow  
'Cause surely YahZarah's on time, oh, ohhh  
So ra-a-a-aise your glass, surely the girl's on time  
I'm YahZarah, ha, Y-A-H-Z-A-R-A-H, pronounced yah-  
zah-rah  
Don't ruin it, don't ruin it  
Not Hezekiah, not Hobacka, not Tabacca, but Y-A-H-Z-  
A-R-A-H  
YahZarah meaning "Queen Mother is the brightest  
star"  
So, how about that?
