Hey there blonde haired cutie.
You know you're miles from me,
but if I could, and I would,
put you in a box,
and mail you to me.

Hey there little miss clothing queen.
I know you like to hear me sing,
so if I could, and I would,
sing you a song,
and make you happy.

We've got that special kind of friendship.
Miles can't compare to drawing robits.
So if I could draw you one more thing,
it'd be a picture saying, you have my less than three.

Hey there girl who hates your smile.
You know your gorgeous,
and if I could, and I would,
steal you away,
and keep that smile all to myself.

Hey there little miss clothing queen.
I know you like to hear me sing,
so if I could, and I would,
sing you a song,
and make you happy.

We've got so much time,
to be best friends for the rest of our lives,
but if I could draw you one more thing,
it'd be a picture saying, you have my less than three.
We've got that special kind of friendship.
Miles can't compare to drawing robits.
So if I could draw you one more thing,
it'd be a picture saying, you have my less than three.

My less than three. :]
