The stars, are out,  
once again, tonight.  
You remember, that time,  
they weren't in your sight?  
I bet you, a kiss,  
that you couldn't miss, them.  
But you sure did,  
and boy did I get my kiss.  
You knew, I was happy,  
and those stars shined brightly, for me.  
And I'm happy, for the memory,  
you helped me create.  
And don't you know,  
they're the kind of things you don't have to hate?

So, I'm letting you know, that I'm happy.

It was a night, to be remembered,  
the best in my book.  
It was a night, in my high school years,  
the best you ever took.  
And maybe I'll just write a crappy song,  
and maybe you'll just get the nerve to sing along.  
At least, you'll know,  
how much you meant to me.  
And that night, at the park,  
where we seemed meant to be,  
don't you ever, think I'll forget you,  
and girl don't you ever, think I'll regret you.
