"The Path"

Here I am, at a new divide,
Nothing to fear, nothing to hide.
There's a path, laid out, in front of me.
Which one do I pick? Which one sets me free?

Where do I go from here and what do I do?
I know this path is for me, not for you.

Side by side we've been for years.
Now we go our separate ways, but there are no tears.
Because we've accepted, the paths laid out in front of
us,
You go right, I go left, I guess that's enough!

But where do I go from here and what do I do?
I know this path is for me, not for you.

I've never felt so alone,
but I know I can make it to my final home.
So, I'll find out!

Where I go from here and what I'll do?
I know this path is for me, not for you.
