Mysterious Lover [chorus]

We shared our times together

Mysterious lover we'll always be together

One night when I was on the phone

All alone

I called a love line

And they said you would be

mine all the time ohhh yeahhh

But on the love line

the said the did not

know your name

so you must be my

mysterious lover

chorus

One day when i was at the mall

I saw you with my friend

I was supposed to be mad

but instead I was sad

I knew you were trying to sweet talk her

but instead you were supposed to be my lover

chorus

When I got home

I cried on my bed

I said I never ,never

wanna see you again

chorus [repeat 2x]
