Someday I let you in, treat you right
Drive you out of my mind oh
You never met a chick like me
Burn so bright I'm gonna make you blind

Always want what you can't have
But is it bad if you don't get what you wanted
Make you feel good as I'm with you
Wanna shape you Boy, let's get it started

Give it up, you can't win
Cause I know where you've been
Such a shame, You don't put up a fight
It's a game that we play, at the end of the night
It's the same old story and your never getting it right
Give it up!

Yeahhhhh, ohhh oh

Come a little closer, come a little closer
Baby, baby
Come a little closer, come a little closer

Baby, baby

Come a little closer, come a little closer
Baby, yes you are my baby
And I'll make you crazy tonight!!!

Look at me boy cause I got you
Where I want you, isn't it so exciting
Wanna shake you, wanna break you
Take a backseat boy, cause now I'm driving

Give it up, you can't win
Cause I know where you've been
Such a shame
You don't put up a fight

It's a game that we play,

At the end of the night,
It's the same old story and
You'll never get it right
Give it up!

Wohooooaaaaaaaaa oooooohhh
YEAH!
