Been round n' round in circles
Tryn'a find the end
Bumped into this shy guy
while chill'n with my friends
He's eyen' me
His sizin' me
Makes my body weak
He's bringn' out the freak in me

Only been a minute
since you came in
and changed my life
When i get around you
I fell this
spark ignite
I got that fire
You got me open
We dig it deeper
We take it higher

Crazy, what we're doin'
Livin' let it go (go, go)
Ridin' havn' good times and
No one has to know
He's eyen' me his eyes on me,
Makes my body weak
He's bringn' out the freak in me
It's only been a minute, since
You came in, and changed my life

When I get around you,
I feel that spark ignite

I got that fire, you got me open
you dig it deeper we take it higher
I got that fire(fire), you got me open(you got me)
we dig it deeper you take it higher

We got that jam, make them
dance, make them lose their minds
(ooohhh ummmm hmhm)
We got that jam, make them

dance, make them lose their minds
(oh yeah)
We got that jam, make them
dance, make them lose their minds
(uh huh)
We got that jam, make them
dance, make them lose their minds

I got that fire, you got me open
you dig it deeper, we take it higher x4
(you got me)
