Driving down Sunset on a Saturday night
It's getting kinda crazy under the lights
And we don't care where we're passing our time
There's one for me and there's one for you
Watching those LA boys go through

[Chorus:]

Looking so hot down in Hollywood
You know they got, got the goods
So lets give it up for those LA boys
Riding the waves up in Malibu
They really get, get to you
So lets give it up for those LA boys
Give it up, you don't have no choice
Give it up, give it up for the LA Boys
West side, east side, everywhere between
Southsides jamming, filling up with glee
Flipping a skateboard, I learn their speach
LA boys, come play with me
Turn it up, Turn it up
And come play with me.

[Chorus:]

I put your number in my phone
Maybe I'll call you maybe not
What are you doing all alone
Show me what you got boy (x3)
Woooooo

[Chorus:]

Give it up for the LA boys (x6)
So give it up for the LA boys
