On the first page of our story

The future seemed so bright

Then this thing turned out so evil

Don't know why I'm still surprised

Even Angels have their wicked schemes

And you take that to new extremes

But you'll always be my hero

Even though you've lost your mind

Just gonna stand there and watch me burn

But that's alright because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright because I love the way you lie

I love the way you lie

Ohhhh, I love the way you lie

Now there's gravel in our voices

Glass is shattered from the fight

In this tug of war, you'll always win

Even when I'm right

Cause you feed me fables from your hand

With violent words and empty threats

And it's sick that all these battles

Are what keeps me satisfied

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohhhh, I love the way you lie
So maybe I'm a masochist
I try to run, But I don't wanna ever leave
Till' these walls are goin' up
In smoke with all our memories
Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohhhh, I love the way you lie
