Verse:

I'm gonna mix a potion up
Make a special drink for you
Mmmm hmmm
Just a little sip and you're never gonna know what hit
you
yeh
When I'm through
Aww yeh

Pre:

Now I'm not talkin' bout movies
don't need no happy end
I just wanna make you love me
And stay through thick and thin
I'm just gonna use some magic
might feel a little drunk
and if you try to leave me
I'll lock you in the trunk

Chorus:

I'm gonna witch you and stick a pin right in you
My voodoo's so addicting
3 silver spoons of brandy wine
just a frog and a little thyme and
baby you'll be mine
with my voodoo love
aw yeh
with my voodoo love
aw yeh

Verse 2:

Boy I really knew you were the one
The moment that i saw your eyes
mmm hmmm
strong and wise and sweet and quiet
yeah you're just my type
mmm hmmm

Pre 2:

now I'm not talkin' bout movies
don't need no happy end

I just wanna make you love me
and be my shiny prince
I'm just gonna use some magic
might feel a little high
but we'll be so enchanted
and you'll feel so alive

(Chorus)

Bridge:

I always get
Just what i want
and boy i really want you now
so just say yes
can't second guess the power of my voodoo love

(Chorus X2)
