

## Script, The "Breakeven"

I'm still alive but I'm barely breathing  
Just praying to a God that I don't believe in  
'Cause I got time while she got freedom  
'Cause when a heart breaks  
No  
It don't break even

Her best days will be some of my worst  
She finally met a man that's gonna put her first  
While I'm wide awake she's no trouble sleeping  
'Cause when a heart breaks  
No  
It don't break even  
Even  
No

What am I supposed to do when the best part of me  
was always you  
And what am I supposed to say when I'm all choked up  
and you're okay  
And I'm falling to pieces  
Yeah  
I'm falling to pieces

They say bad things happen for a reason  
But no wise word's gonna stop the bleeding  
'Cause she's moved on while I'm still grieving  
And when a heart breaks  
No  
It don't break even  
Even  
No  
Oh

What am I gonna to do when the best part of me was  
always you  
And what am I supposed to say when I'm all choked up  
and you're okay  
And I'm falling to pieces  
Yeah  
I'm falling to pieces

Yeah  
I'm falling to pieces  
(One's still in love while the other one's leaving)  
I'm falling to pieces  
(Cause when a heart breaks)  
(No)  
(It don't breakeven)

Oh  
You've got his heart and my heart and none of the pain  
You took your suitcase  
I took the blame  
Now I'm tryna make sense of what little remains  
Oh  
'Cause you left me with no love  
With no love to my name

I'm still alive but I'm barely breathing  
Just praying to a God that I don't believe in  
'Cause I got time while she got freedom  
'Cause when a heart breaks  
No  
It don't break  
No  
It don't break  
No  
It don't break even  
No

What am I gonna to do when the best part of me was  
always you  
And what am I supposed to say when I'm all choked up  
and you're okay  
(Oh)  
(Knowing that you're okay now)  
And I'm falling to pieces  
Yeah  
I'm falling to pieces  
(Oh)  
(I'm falling)  
(Falling)  
Yeah  
I'm falling to pieces  
(One's still in love while the other one's leaving)  
I'm falling to pieces  
(Cause when a heart breaks)  
(No)  
(It don't break even)

Oh  
It don't break even

No

Oh

It don't break even

No

Oh

It don't break even

No
