If you're standing with your suitcase  
But you can't step on the train  
Everything's the way that you left it I still haven't slept  
yet

And if you're covering your face now  
But you just can't hide the pain  
Still setting two plates on the counter but eating without  
ya

If the truth is you're a liar  
When you say that you're okay  
I'm sleeping on your side of the bed going out of my  
head now

And if you're out there trying to move on  
But something pulls you back again  
I'm sitting here trying to persuade you like you're in the  
same room

And I wish you could give me the cold shoulder  
And I wish you could still give me a hard time  
And I wish I could still wish it was over  
But even if wishing is a waste of time  
Even if I never cross your mind

I'll leave the door on the latch  
If you ever come back, if you ever come back  
There'll be a light in the hall and a key under the mat  
If you ever come back  
There'll be a smile on my face and the kettle on  
And it will be just like you were never gone  
There'll be a light in the hall and a key under the mat  
If you ever come back, if you ever come back now  
Oh if you ever come back, if you ever come back

Now they say I'm wasting my time  
Cause you're never coming home  
But they used to say the world was flat but how wrong  
was that now

And by leaving my door open  
I'm risking everything I own  
There's nothing I can lose in the break in that you  
haven't taken

And I wish you could give me the cold shoulder  
And I wish you could still give me a hard time  
And I wish I could still wish it was over  
But even if wishing is a waste of time  
Even if I never cross your mind

I'll leave the door on the latch  
If you ever come back, if you ever come back  
There'll be a light in the hall and a key under the mat  
If you ever come back  
There'll be a smile on my face and the kettle on  
And it will be just like you were never gone  
There'll be a light in the hall and a key under the mat  
If you ever come back, if you ever come back now  
Oh if you ever come back, if you ever come back

If it's the fighting you remember or the little things you  
miss  
I know you're out there somewhere, so just remember  
this  
If it's the fighting you remember or the little things you  
miss  
Oh just remember this, oh just remember this

I'll leave the door on the latch  
If you ever come back, if you ever come back  
There'll be a light in the hall and a key under the mat  
If you ever come back  
There'll be a smile on my face and the kettle on  
And it will be just like you were never gone  
There'll be a light in the hall and a key under the mat  
If you ever come back, if you ever come back now  
Oh if you ever come back, if you ever come back now

And it will be just like you were never gone  
And it will be just like you were never gone  
And it will be just like you were never gone  
If you ever come back, if you ever come back now
