Am I better off dead? Am I better off a quitter?  
They say I'm better off now than I ever was with her  
As they take me to my local down the street  
I'm smiling but I'm dying trying not to drag my feet

They say a few drinks will help me to forget her  
But after one too many I know that I'm never  
Only they can see where this is gonna end  
And they all think I'm crazy but to me it's perfect sense

And my mates are all there trying to calm me down  
'Cause I'm shouting your name all over the town  
I'm swearing if I go there now  
I can change your mind turn it all around

I know that I'm drunk but I'll say the words  
And she'll listen this time even though they're slurred  
So I dialed her number and confessed to her  
I'm still in love but all I heard was nothing

So I stumble there, along the railings and the fences  
I know if I'm face to face that she'll come to her senses  
Every drunk step I take leads me to her door  
If she sees how much I'm hurting she'll take me back  
for sure

And my mates are all there trying to calm me down  
'Cause I'm shouting your name all over the town  
I'm swearing if I go there now  
I can change your mind turn it all around

And I know that I'm drunk but I'll say the words  
And she'll listen this time even though they're slurred  
So I dialed her number and confessed to her  
I'm still in love but all I heard was nothing

She said nothing  
Oh I wanted words but all I heard was nothing  
Oh I got nothing  
Nothing  
I got nothing

Nothing  
Oh I wanted words but all I heard was nothing

Oh, sometimes love is intoxicating  
Oh, you're coming down,  
Your hands are shaking  
When you realize there's no one waiting

Am I better off dead?  
Am I better off a quitter?  
They say I'm better off now  
Than I ever was with her

And my mates are all there trying to calm me down  
'Cause I'm shouting your name all over the town  
I'm swearing if I go there now  
I can change your mind turn it all around

And I know that I'm drunk but I'll say the words  
And she'll listen this time even though they're slurred  
So I dialed her number and confessed to her  
I'm still in love but all I heard was nothing

She said nothing  
Oh I wanted words but all I heard was nothing  
Oh I got nothing  
Nothing  
I got nothing  
Nothing

Oh I wanted words but all I heard was nothing  
Oh I got nothing  
I got nothing  
I got nothing
