Sometimes tears say all there is to say  
Sometime your first scars wont ever fade... away  
Tried to break my heart  
Well it's broke  
Tried to hang me high  
Well I'm choked  
Wanted rain on me  
Well I'm soaked  
Soaked to the skin

It's the end where I begin  
It's the end where I begin

Sometimes we don't learn from our mistakes  
Sometimes we've no choice but to walk away... away  
Tried to break my heart  
Well it's broke  
Tried to hang me high  
Well I'm choked  
Wanted rain on me  
Well I'm soaked  
Soaked to the skin

It's the end where I begin  
It's the end where I begin

Now I'm alive  
and my ghosts are gone  
I've shed all the pain  
I've been holding on  
The cure for a heart  
Is to move along, is to move along  
So move along  
[X3]  
What don't kill a heart  
Only makes it strong

Sometimes tears say all there is to say  
Sometimes your first scars don't ever fade, away  
Tried to break my heart  
Well it's broke

Tried to hang me high  
Well I'm choked  
Wanted rain on me  
Well I'm soaked  
Soaked to the skin

It's the end  
End where I...  
End where I...  
End where I...  
yeahh..  
It's the  
End where I...  
End where I...  
End where I...  
Begin...

Sometimes we don't learn from our mistakes  
Sometimes we've no choice but to walk away... away...
