<p>Jenny was a poor girl
Living in a rich world
Named her baby Hope
When she was just fourteen
She was hoping for a better world
For this little girl
But the apple doesn't fall too far from the tree</p>
</div>
<div data-bbox="242 416 454 505" data-label="Text">
<p>Well she gets that call
Hope's too far gone
Her baby's on the way
But nothing left inside
Together we cry!</p>
</div>
<div data-bbox="242 524 729 721" data-label="Text">
<p>What about the junk head
Could have gone the whole way
Lighting up the stage trying to get a deal
Now he's lighting up the wrong way
"Something for the pain!"
Man you wanna see this kid he was so fuckin' unreal
When he gets that call
He's too far gone
To get it together to sing one song
They won't hear tonight
The words of a lullaby</p>
</div>
<div data-bbox="242 740 501 900" data-label="Text">
<p>Together we cry!
Yeah, yeah, yeah
Together we cry!
Whoah oh whoah oh whoah
Together we cry!
Oh we cry we cry we cry
Together we cry!
Oh we cry we cry
Whoah oh whoah oh whoah</p>
</div>
<div data-bbox="242 919 506 955" data-label="Text">
<p>Oh! Mary's ambitious
She wanna to be a politician</p>
</div>

She been dreaming about it since she was a girl
She thought that she'd be the one to change the world
Always trying to pave the way for women in a man's
world
But life happened, house, kids, 2 cars, husband hits
the jar, cheques that don't go very far now
Now she in it can't change it, she keeps her mind on
her wages
The only rattling cages!

Together we cry
Together we cry

There comes a time when every bird has to fly
At some point every rose has to die
It's hard to let your children go
Leave home
Where they go?
Who knows!
Getting drunk
Getting stoned
All alone
Teach a man to fish
You'll feed him never lie
You show your kids the truth
Hope they never lie
Instead of reading in a letter that they've gone to
something better
"Bet your sorry now! I won't be coming home tonight"

I'm sick of looking for those heroes in the sky
To teach us how to fly
Together we cry!

Together we cry
Together we cry
