Morning, this morning the curtains are shut  
I'll ring you in the morning but the phone's been cut  
Can you hear me? I've been calling all day  
(Ooh, can you hear me? Ooh, can you hear me?)  
Can you hear me?  
(Ooh, can you hear me?)  
(Ooh, can you hear me?)

The radio reporter said the line's all dead  
He told me that I oughta write a letter instead  
Can you hear me? I've been calling all day  
(Ooh, can you hear me? Ooh, can you hear me?)  
Can you hear me?  
(Ooh, can you hear me?)  
(Ooh, can you hear me?)

I'd wish they'd fix the wires 'cause my baby don't know  
That I'm leaving in the morning and I'm ready to go  
Can you hear me? Can you hear me at all?  
Gotta get the operator make a telephone call

And if I write a letter it won't get there on time  
I'll only reach you baby on the telephone line  
Can you hear me? I've been calling all day  
(Ooh, can you hear me? Ooh, can you hear me?)  
Can you hear me  
(Ooh, can you hear me?)  
(Ooh, can you hear me?)

My car's all ready and my bags are all packed  
I'm late already and I won't be back  
Can you hear me? I've been calling all day  
(Ooh, can you hear me? Ooh, can you hear me?)  
Can you hear me  
(Ooh, can you hear me?)  
(Ooh, can you hear me?)

I'd wish they'd fix the wires 'cause my baby don't know  
That I'm leaving in the morning and I'm ready to go  
Can you hear me? Can you hear me at all?  
Gotta get the operator make a telephone call

I'd wish they'd fix the wires 'cause my baby don't know  
That I'm leaving in the morning and I'm ready to go  
Can you hear me? Can you hear me at all?  
Gotta get the operator make a telephone call

Ooh, can you hear me?  
Ooh, can you hear me?  
Ooh, can you hear me?
