Hoo hoo hoo hoo
Hoo hoo hoo hoo
Hoo hoo hoo hoo

Time takes it's crazy toll
And how does her mirror grow?
You better watch yourself when you jump into it
Coz the mirror's gonna steal your soul

I wonder how it came to be my friend
Someone just like you has come again
Never, never know how close you came
'Til you fall in love with the diamond rain

Throw all his trash away
Look out, he's here to stay
Your mirror's gonna crack when he breaks into it
Never, never be the same

Look into his eyes and you can see
Why all the little kids are dressed in dreams
Wonder how he's gonna make it back
When he says you know it's make-believe

Hoo hoo hoo hoo
Hoo hoo hoo
Hoo hoo hoo hoo

Black crystal lies to sand
Now I hope you will understand
Reflected into his broken glass soul
Now the mirror is your only friend

Look into his eyes and you will see
You're never not alone on a diamond sea
Sail into the heart of a lonely storm
And tell her that you love her eternally

Hoo hoo hoo hoo
Hoo hoo hoo
Hoo hoo hoo hoo

Hoo hoo hoo
