I find it in an atlas
Or flipping over old news
Check what's in the trash bag
We're just another part of you
We're just another part of you
I beg your pardon, beg your pardon, beg your pardon
Oh-ah!

Blame me for where you are
Tell me what I gotta lose
That's a bit fancy
We're just another part of you
We're just another part of you
I beg your pardon, beg your pardon, beg your pardon
Oh-ah!

We read it
For three days
We read it
For three days
We read it
For three days
We read it
For three days
We read it

We were overlooked
Like a puzzle book
Dead in the eyes
Dead in the eyes
Watch us from the nooks, ah
We were overlooked
Like a puzzle book
Dead in the eyes
Dead in the eyes
Won't you find the next, ah

We're just another part of you
We're just another part of you
We're just another part of you
I beg your pardon, beg your pardon, beg your pardon

Oh-ah!

We read it
For three days
We read it
For three days
We read it
For three days
We read it
For three days
We read it
