Sometimes I feel, I'll never belong
I want to get there so bad but it's taking so long
Sometimes I feel like letting go

But when it comes right down to it, baby
Who wants to know?
(No one)

And I find
(For a good time)
I'm knocking for a good time
(For a good time)
Now I find, yeah
(For a good time)
I'm knocking for a good time
(For a good time)

Standing on the outside, I'm looking in
Trying to be heard I don't know where to begin
Help me baby show me how

To be a part of it all and all
Right here and now

And I find
(For a good time)
I'm knocking for a good time
(For a good time)
Now I find, yeah
(For a good time)
I'm knocking for a good time
(For a good time)

Hands are full of silver
My pockets full of gold
It's time I'm trying to spend
And I can't get myself sold

I'm a bargain honey
I'm a giveaway
And you can have it all
If you'd use up my day

Now I find
(For a good time)
I'm knocking for a good time
(For a good time)
And I find, yeah
(For a good time)
I'm knocking for a good time
(For a good time)

Yeah, I find
(For a good time)
I'm knocking for a good time
(For a good time)
And I find, yeah
(For a good time)
I'm knocking for a good time
(For a good time)

Good time, good times
(For a good time)
Good time, good times
(For a good time)
(For a good time)

Good time, good times
(For a good time)
Good time, good times
(For a good time)
(For a good time)

Now I find
(For a good time)
I'm knocking for a good time
(For a good time)
Now I find
(For a good time)
I'm knocking for a good time
(For a good time)

Good times
(For a good time)
Good times
(For a good time)
Good times
(For a good time)
For a good time
