Baby im afraid of a lot of things  
But i aint scared of loving you  
Baby i know your afraid of a lot of things  
But don't be scared of love  
Cause people will say all kinds of things  
That don't mean a dam to me  
Cause all i see is what's in front of me  
And that's you  
Well, ive been dragged all over the place  
Ive taken hits time just don't erase  
And baby i can see you've been fucked with too  
But that don't mean your loving days are through  
Cause people will say all kinds of things  
That don't mean a dam to me  
Cause all i see is what's in front of me  
And that's you  
Well i may be just a fool  
But i know were just as cool  
And cool kids...  
They belong together
