Check my glove for the cash  
It was all for the one  
For the one  
Slept my baby through it all  
Check my door for the crash  
Shut like the first, you shut the last  
I won, I won  
Slept my baby through it all

Check my glove for the cash  
It was all for the one  
For the one  
Slept my baby through it all  
Check my door for the crash  
Shut like the first, you shut the last  
I won, I won  
Slept my baby through it all

I want out  
I want out  
I want out  
I want out  
Drop drop drop  
Down a floor  
Shoot shoot  
Outcha mouth  
These things are scraped from ceilings  
Drop drop drop  
Down a floor  
Shoot shoot  
Outcha mouth  
These things are scraped from ceilings

Checky my glove for the cash  
It was all for the one  
For the one  
Slept my baby through it all  
Check my door for the crash  
Shut like the first  
You shut the last  
I won

I won  
Slept my baby through it all

Love is in the metal  
Love is in the metal  
Love is in the ooh-oo  
Who loves who?  
Love is in the metal  
Love is in the metal  
Love is in the ooh-oo  
Who loves who?
