Green in your love on bright days  
You grew sun blind, you thought me unkind  
To remind you how winter kills

Lost in daydreams you drove too fast and got nowhere  
You rode on half fare when you got too scared  
How winter kills  
Tear at me searching for weaker seams

Pain in your eyes makes me cruel, makes me spiteful  
Tears are delightful welcome your nightfall  
How winter kills  
I'll tear at you searching for weaker seams

Winter kills  
Winter kills  
Winter kills
