Take me back as I fall  
I can see your spirit  
Was touched by hands  
Forgiven everything  
Where she lies  
Until the time  
When sadness moves you  
Towards the greatest sea  
I hold alone  
The greatest sea  
I hold alone

Sigh sign seasons in the sun  
Transcend the seas, I'm gone  
[x2]

Amber hands take me back  
I can see your spirit  
Was touched by hands  
Forgiven everything  
Where she lies  
Until the time  
When sadness moves you  
Towards the greatest sea  
I hold alone

Sigh sign seasons in the sun  
Transcend the seas, I'm gone  
[x4]

My amber hand she leads itself  
The greatest sea I'd left alone  
My amber hand she leads itself  
The greatest sea I'd left alone  
My amber hand she leads itself

Your memories end and your fears begin  
And lead you to the brightest sun  
Leave a shadow falling down  
An amber hand that's left alone

Sigh sign seasons in the sun  
Transcend the seas, I'm gone  
[x4]

Transcend the seas, I'm gone  
Transcend the seas, I'm gone
