Walk towards
All the holiest places
Distance all
Of our most silent traces

Slowly down
To the end that you know
Slowly down
To the end that you
End that you know

To the end that you
End that you know

Days untrue
Days untrue
From red unto blue
From red unto blue
From red unto blue
From red unto blue
Unto you
Unto you
Unto you

Walk towards
All the holiest places
Distance all
Of our most silent traces

Slowly down
To the end that you know
Slowly down
To the end that you
End that you know

To the end that you
End that you know

Days untrue
Days untrue
From red unto blue

From red unto blue
From red unto blue
From red unto blue
Unto you...
