THE ONE YOU CAN'T HAVE

The Honeys

Jerry treats me nice, now, wherever we go

Brian's awful sweet to me

Bob is such a doll when he looks in my eyes

Larry keeps me company

Gary wants to buy me a diamond ring

& Johnny says for me he'd do anything

But the one you can't have is the one that you want the most

It's so true now

They spend up their money like it grows on trees

They all buy me shoes the world

They make you feel important as a girl should feel

They tell you you're the only girl

They're all puttin' out a lady's show for you

They're even at each other's throats for you

But the one you can't have is the one that you want the most

Human nature, why did you make it this way? Ow-wee

Everyone but the one I love makes a play for me

Never had trouble gettin' guys around me

I've never been without a boyfriend

I always had 'em plain get nice with me

I keep 'em guessin' to the end

But the love of my life is really there alone

& the only time things are bad & gone wrong, yeah

(repeat & fade):

The one you can't have is the one that you want the
most
