Looking from a window above
It's like a story of love, can you hear me?
Came back only yesterday
I'm moving farther away, want you near me

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you

Sometimes when I think of her name
When it's only a game and I need you
Listen to the words that you say
It's getting harder to stay when I see you

All I needed was the love you gave

All I needed for another day
And all I ever knew, only you

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you

This is going to take a long time
And I wonder what's mine, can't take no more
Wonder if you'll understand
It's just the touch of your hand behind a closed door

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you
