I've been waitin' at a train depot  
Tryin' to find a reason why I shouldn't go  
My bags are done packed so I can't back down  
Don't try to stop 'cause I'm railway bound  
Get off your knees  
There ain't nothin' you can do  
I'm gonna ride these tracks  
'Til it shakes these blues away  
Shakin' these blues away  
I don't care if it takes all night  
I'm gonna ride that, I'm gonna ride that line  
River-bridge movin' at the speed of sound  
Conductor man say, "We're gonna stop at the next town"  
I get off the train, I gotta look new  
Next time you see me I'll be shakin' these blues away  
Shakin' these blues away  
I don't care if it takes all night  
I'm gonna ride that, I'm gonna ride that line  
Tupelo shadow cast in my view  
Delta show, where, help me sing my blues

Number 89's on time

Ready to take me to the Texas line

I'm shakin' these blues away

I don't care if it takes all night

I'm gonna ride that, I'm gonna ride that line

I'm gonna ride that [Incomprehensible]
