It's having a faith in magic keeping our love alive

There's nobody else but you tonight
your light is shining bright.

Oh
this is a fine time to change your mind

Yeah
this is a fine time to cross the line.

Yeah
this is a fine time
I can't go on without your love.

We've been together so long
you kept me satisfied

How could you walk out my life?
I don't know if I can love you the way that you want me
to love you

I still need you here tonight
your light is shining bright.

Oh
this is a fine time to change your mind

Yeah
you picked a fine time to cross the line.

Yeah
this is a fine time
I can't go on without your love.

Everybody seems to tell you that ain't no good for you

You say that I make you feel so blue.
Tell me now
was I so blind?

Oh
this is a fine time to change your mind
