We've been broken down  
To the lowest turn  
And been on the bottom line  
Sure ain't no fun  
But if we should be evicted from our homes  
We'll just move somewhere else  
And still carry on  
Hold on, hold on, hold on  
Chorus  
The only way is up, baby  
For you and me now, baby  
The only way is up  
For you and me now

Now we may not know  
Where our next meal is coming from  
But with you by my side  
I'll face what is to come  
Boy, I wanna thank you  
For loving me this way  
Things may be a little hard now  
But we'll find a brighter day  
Hold on, hold on, hold on  
The only way is up, baby  
For you and me now
